## 2021 edition of the Night of the Law: Joint dialogue on criminal justice

On October 4, the Faculty of Law of the University Jean Moulin Lyon III participated in the 2021 edition of the Night of Law.

Launched in 2017 at the initiative of Mr. Laurent Fabius, President of the Constitutional Council, this national event, organized every year since then, pursues a dual objective: celebrating the Constitution of the Fifth Republic and raising awareness among the greatest number of our fellow citizens about the Law, its principles, its institutions and its professions.

Various debates and conferences were held under the authority of the Dean of Lyon III, University Professor Hervé de Gaudemar, on the campus of the Manufacture des Tabacs in Lyon.

[André Soulier](#) took part in the debate entitled "*Joint dialogue on criminal justice*".
