Colloquium on the reform of French contract law

On January 10, [Jean-Luc Soulier](#) and [Stéphanie Yavordios](#) led, together with the insurance brokerage firm CCAL, a colloquium on the impact that the new French law of contracts and obligations will have on the negotiation and drafting of commercial agreements for the purchase and sale of products and services.

This colloquium also provided the opportunity to reflect about the inspiration of the main innovations brought about by the Ordinance of February 10 2016, for the reform of contract law, the general regime of obligations and proof of obligations.
