ECM Technologies

[Jean-Pierre Chauv](#), [Catherine Nommick](#) and [Chems Idrissi](#) have assisted ECM Technologies, specialized in the design, manufacture and sale of heat-treating furnaces and world leader in the manufacturing of low pressure carburizing installations for the automotive and aerospace markets, in connection with the raising of 10 million Euros from a pool of investors that comprised BPI France, Siparex, Innovafonds and Capida.

Soulier Avocats is an independent full-service law firm that offers key players in the economic, industrial and financial world comprehensive legal services.

We advise and defend our French and foreign clients on any and all legal and tax issues that may arise in connection with their day-to-day operations, specific transactions and strategic decisions.

Our clients, whatever their size, nationality and business sector, benefit from customized services that are tailored to their specific needs.
