GDPR

Dear readers,

Given the many emails that we all received, it is impossible to ignore that the General Data Protection Regulation ("GDPR") came into force on Friday May 25, 2018.

This Regulation imposes a number of new obligations, in particular with respect to the protection of personal data (for more information on the changes brought about by the GDPR, we invite you to read the article entitled "[GDPR: How to ensure compliance by May 25, 2018?](#)" published on our Blog).

Our monthly e-newsletter is merely designed to keep you informed of the latest French law developments and, as such, we have no obligation to ask your consent to continue sending it.

However, you can unsubscribe at any time by clicking on the link that appears at the bottom of each of our communications or by sending us an email at privacy@soulier-avocats.com.

Thank you for your confidence and for your support.
