GEVIL - After-work - Roundtable “Artificial Intelligence: How can it be used in businesses?”

[Chems Idrissi](#) participated on August 29, 2017 in a roundtable about Artificial Intelligence and how it can be used in businesses that took place during the After-work meeting of the Bal Air Cam (Villeurbanne) organized by the Digital Committee of GEVIL (association of companies located in Villeurbanne) and the association Girlz In Web (a renowned French association of business women and female business owners working in the digital world).

Soulier Avocats is an independent full-service law firm that offers key players in the economic, industrial and financial world comprehensive legal services.

We advise and defend our French and foreign clients on any and all legal and tax issues that may arise in connection with their day-to-day operations, specific transactions and strategic decisions.

Our clients, whatever their size, nationality and business sector, benefit from customized services that are tailored to their specific needs.
