Global Guide to Non-Competition Agreements

World Law Group

Global Guide to
Non-Competition
Agreements

We are pleased to announce the release of the first edition of the *Global Guide to Non-Competition Agreements*.

This multijurisdictional Guide has been prepared by the *Human Resources Law* Practice Group of the World Law Group, a network of 58 leading independent law firms with more than 400 offices in major commercial centers worldwide.

Non-competition agreements can help a business protect its confidential information, trade secrets and customer relationships and prevent unfair competition. However, whether such agreements can be enforced, and under what circumstances, vary significantly among jurisdictions.

The aim of this publication is to have a dedicated resource on the enforceability of non-competition agreements.

This Guide has been prepared under the leadership of our Labor & Employment Partner, [Emilie-Ducorps-Prouvost](#), Co-Chair of the *Human Resources Law* Practice Group.
