## Soulier Avocats receives two awards for its articles published in July 2021

We are pleased to announce that our Firm has received in July the following awards from Mondaq, one of the largest global online advisory content suppliers with more than one million registered users:

***"Most Popular Article, France July 2021"*** award for the article entitled [Google fined 220 million euros by French Competition Authority for having abused its dominant position in the online advertising sector](#) authored by [Pauline Kubat](#).

***"Contributor Most Read in France, July 2021"*** award.

Every month, [Mondaq](#) publishes hundreds of articles by more than 120,000 expert contributors from over 80 countries around the world and analyses its usage logs to identify which contributors and which articles were most accessed for that calendar month.

**Soulier Avocats** is an independent full-service law firm that offers key players in the economic, industrial and financial world comprehensive legal services.

We advise and defend our French and foreign clients on any and all legal and tax issues that may arise in connection with their day-to-day operations, specific transactions and strategic decisions.

Our clients, whatever their size, nationality and business sector, benefit from customized services that are tailored to their

specific needs.
