Soulier Avocats recommended by the Legal 500 EMEA 2024

We are pleased to announce that, for the seventh year in a row, our firm is recommended by the *Legal 500 Europe, Middle East and Africa* in the “**Environment**” practice area, and that Ms. Laure Marolleau is again recognized as “**Next Generation Partner**” in this area.

Excerpt from the Legal 500 EMEA 2024:

“The practice at Soulier Avocats is frequently retained by domestic and international corporations seeking support with French and EU environmental requirements, the sale, transport and distribution of hazardous products, and waste management issues. The group demonstrates

particular strength in the chemical and pharmaceuticals spaces. Seasoned partner Jean-Luc Soulier leads the team; Laure Marolleau is an additional key contact.”
