

Anaëlle Idjeri

SENIOR ASSOCIATE
MEMBER OF THE LYON BAR

Anaëlle practices primarily in business law, commercial law and international contracts. She acts both as advisor and litigator.

She assists French and foreign companies operating in a wide range of industries on all legal and regulatory issues likely to arise in connection with their business operations and relationships (contracts, distribution, unfair competition, consumer law related matters, etc.), and defend their interests before commercial and civil courts.

Anaëlle also represents and defends clients in ad hoc arbitration proceedings and internal or international arbitration proceedings before various French and foreign institutions.

Selected Operation Summary

Litigation and Arbitration

Represented and defended a foreign manufacturer of spirits during pre-litigation negotiations and in court in a dispute for sudden termination of business relationships

Represented and defended a foreign company in ICC arbitration proceedings relating to the breach of a contract for the supply of military equipment

Assisted and advised a dismissed manager in the context of a conflict between partners in the funeral industry

Represented and defended a French company in ad hoc arbitration proceedings relating to the revision of the oil price of a contract concluded with a foreign group

Represented and defended foreign companies in disputes relating to non-performance of subcontracting agreements in the building and construction industry

Represented and defended a foreign company in ICC arbitration proceedings relating to the installation and operation of photovoltaic panels

Assisted and advised a distributor of plant protection products in a defective product liability case

Business Law and International Contracts

Counseled French and foreign businesses operating in various industries, such as the wine making, robotics, automotive, chemistry and digital industries, in connection with the preparation and negotiation of commercial, distribution and industrial contracts
