MEMBER OF THE LYON BAR

Soulier
AVOCATS

Pauline specializes in international contracts, commercial law and business law. She acts both as advisor and litigator.

She provides legal advice to French and foreign companies from a wide range of business sectors on all legal and regulatory aspects of their business activities and operations under French and EU law. She defends and represents them before the competent courts in civil and commercial disputes. She also assists individuals and corporate clients in cross-border issues between France and Spain.

Pauline also advises on real estate and construction law.

Selected Operation Summary

Assisted and advised a distributor of food products in connection with the termination of an international commercial agency contract

Assisted and advised a manufacturer of plant protection products in the context of a liability action for defective products

Assisted and advised foreign companies in connection with the recognition and enforcement of foreign decisions – in particular Spanish decisions – in France

Provided legal and tax assistance to individuals and companies in the context of French-Spanish property transactions, particularly in the field of real estate acquisitions and international inheritance cases

Assisted and advised a Spanish company in connection with the construction of a real estate complex in France, in expert investigations and legal proceeding, including on issues relating to subcontracting contracts, international secondment of employees and construction disorders
