

Sophie Hosri

ASSOCIATE

MEMBER OF THE LYON BAR

Soulier
AVOCATS

Sophie practices primarily in commercial law, business law and international contracts, and acts both as advisor and litigator.

She assists a clientele comprising French and foreign companies operating in various industries on legal and regulatory issues that arise in connection with their business dealings and operations, and provides representation in domestic and international civil and commercial litigation, as well as in arbitration proceedings.

Selected Operation Summary

Assisted and defended French and foreign companies, operating in particular in the catering and food service industry, in unfair competition litigation cases

Counselled and represented French and foreign economic operators from the banking, industrial and commercial business sectors, in debt recovery disputes, both at the pre-litigation and litigation stages, as well as in insolvency/bankruptcy proceedings

Assisted and advised French and foreign companies in connection with the provision and production of documents, in particular under discovery procedures

Assisted and advised French and foreign companies in connection with proceedings for the recognition and enforcement of foreign judgments

Defended and assisted French and foreign companies in arbitration proceedings before the International Chamber of Commerce

Assisted and advised French and foreign companies in the context of the legalization of an ICC arbitral award
