

Matthieu Blaschczyk

LABOR & EMPLOYMENT PARALEGAL

Matthieu specializes in labor & employment law and assists French and foreign companies on all issues that may arise in connection with individual and collective labor relationships.

He provides legal advice in connection with business and group reorganizations and restructurings (collective lay-off plans, transfers of employees, etc.) and assists companies in the preparation, implementation and monitoring of their collective agreements (telework, working time arrangements, profit-sharing, etc.)

Matthieu also advises and represents businesses in labor disputes before the competent courts.

Selected Operation Summary

Assisted companies in connection with the setting-up of business operations in France, reorganizations and restructurings, in particular with regard to collective lay-off plans (drafting of the documentation, information/consultation procedures with employee representative bodies)

Advised a French group in the implementation of a group-level agreement on employee representation

Provided legal assistance to French and foreign companies in the design and implementation of compensation plans
