

Safi Mbarki

MEMBER OF THE LYON BAR

Soulier
AVOCATS

Safi practices primarily in commercial law, business law and international contracts, and acts both as advisor and litigator.

He assists a clientele comprising French and foreign companies operating in various industries on legal and regulatory issues that arise in connection with their business dealings and operations, and provides representation in domestic and international civil and commercial litigation, as well as in arbitration proceedings.

Safi also graduated in criminal law and sports law and therefore assists individuals and legal entities in any matters likely to arise in connection with these areas of practice.

Selected Operation Summary

Assisted French companies operating in various industries in the drafting of commercial contracts

Advised a French association in connection with the sudden breach of established business relationships

Assisted a machine and equipment manufacturer in a dispute over unfair competition and free riding

Drafted criminal complaints in connection with fraud cases

Represented athletes and sports clubs before various committees of delegated sports federations
